22 or annuity business in this state, and the director is satisfied that its
23 condition or methods of operation in connection with the issuance of such
24 variable contracts will not render its operation hazardous to the public or
25 its policyholders in this state. In this connection, the director shall
26 consider, among other things, all of the following:

26 terminate and become void. The policy shall reserve to the insurer the right
27 to defer the granting of a loan, other than for the payment of any premium to
28 the insurer, for six months after application. The policy, at the insurer's
29 option, may provide for an automatic premium loan, subject to an election of
30 the party entitled to elect.

31 B. This section shall not apply to term policies nor to term insurance
32 benefits provided by rider or supplemented policy provision.
